ENTRY TYPES

B Stream Base stream is for dogs that have not yet earned the basic title for the level in which they are competing.

C Stream A dedicated Championship stream, or C stream, is used when a dog is competing for the titles of Bronze, Silver, Gold, Master Champion, and Supreme Championship titles.

- C stream qualifying scores are earned in the Advanced through Versatility Excellent classes.
- Dogs must have achieved the regular stream title for a class before being eligible to begin earning C stream qualifying scores in that class.

For Exhibition Only (FEO)

Teams may enter trials without competing for practice purposes. This is referred to as For Exhibition Only (FEO).

IS THIS YOUR FIRST CARO TRIAL?

Before you register for your first trial, you'll just need a dog ID number for CARO, which you can get super quickly here: https://www.canadianrallyo.ca/page/registerdog

Then you're good to go to register once the link is released! If you don't have your Dog ID by then, no worries! Simply just write "pending" in the dog ID spot and then just email us when you receive the number.

Dog ID's are a one-time payment for the lifetime of the dog.

However, there is also a HUMAN membership that you can pay for yearly that gives you access too a number of perks including: a log-in that allows you to see and track all of your dogs Q's electronically AND a $10 discount on your dog memberships! So if you are thinking you may want to become a member, I recommend filling out that form first and THEN doing your dog registration after, so that you get the discount! https://www.canadianrallyo.ca/page/membershipapplication

TRIAL SITE INFORMATION

The competition will be held in the Mighty building 4,800 square feet, fully matted and heated. This is the first building as you come up the driveway. Take note the building will be kept on the cool side in consideration of the working dogs. We recommend dressing warm and in layers.

Spectating and Social Area
We welcome and encourage spectators but please no non competing dogs.

Flooring

Permanent rubber matting floors. PLEASE assist us in keeping the mats clean by ONLY entering with clean feet both humans and dogs. As we wish to limit post trail cleaning for the volunteers and prevent any wear or flooring damage.

Parking
There will be designated parking away from class building please do your best to follow signs. No parking on the grass.

Potty
Designated poop buckets are available.

ON leash walking is only allowed along the side grass strip heading down the driveway north of the Mighty building.

Please NO walking your dogs out into the field or on the cut grass field behind the building OR around TIME4DOGS KENNEL AREA.

Warm up area
This will be in the trial building next to the ring. A fence barrier will be in place but **no visual barrier**. This area will be for “On deck” and “In the hole dogs”. There is a gravel outdoor space for warming up for dogs that have big feeling well getting ready!

Crating
Please Crate in your vehicle if possible.
There is **limited indoor crating** as it’s in the trial building next to the ring but separate from the warm up area. It will be first come first serve. NO Ex-Pens, crates only to protect the rubber flooring.

Limited to ensure the success and enjoyment of the competitors while warming up and in the ring. Dogs that need it can enjoy indoor crating, only suitable for quiet dogs! Please be aware and courtesy for a calmer atmosphere.

Course Maps
Course maps will only be released when the building opens. Paper copies will be posted in the spectating/social area and warm up area.

Equipment Reminder A flat buckle, snap collar or a fixed harness and a leash are the ONLY approved equipment.

- Leashes - should be long enough to provide adequate slack. Hands free leashes are acceptable.
- When a fixed harness is used, the leash must be attached to the back.

Our facility promotes kind and fair treatment of animals and humans alike. The following behaviour will NOT be tolerated: Harsh or over the top verbal scolding of dogs for the purpose of punishment, physical corrections of any kind, use of aversive devices on site including e-collars or vibration collars, prong or pinch collars. Please note, CARO also restricts the use of slip leads on show grounds. Any event attendees doing so will be dismissed immediately without refund.

- Appropriate and safe use of no-pull harnesses and face halti's are permitted so long as it is used in a way that is safe and respectful to the animal.

Exhibitors' responsibilities

- **Dogs are to be ON-LEASH and UNDER CONTROL** at all times unless in the ring or the designated warm-up area.
- Exhibitors are responsible for cleaning up after their dog(s). Any exhibitor failing to do so may be excused without the benefit of refund if the Trial Committee deems the exhibitor to be in violation of this requirement.
-

CARO Trial Etiquette
Like every other sport, Rally Obedience comes with its own etiquette practices which facilitate a friendly

and respectful trial atmosphere. Below are some recommendations that will help new competitors prepare
for attending in-person trials. In addition to the items listed below, be sure to read through all information
from the trial host for anything that is specific to their event.

In general

- Remember that trials cannot happen without volunteers. Please consider taking a turn to help.
- Be kind and courteous to all.
- Be sure to check in when you arrive so that the ring stewards know that you are there.

On trial grounds

- Always keep a distance between dogs.
- Ask before touching another person's dog.
- Pick up after your dog and leave your crating area tidy at the end of the trial. lists clear unless you need to use them.
  Share warm up space and prioritize use by those next in.
- Let those who are at the top of the running order start first. They may need to leave the ring early towarm up their dogs.

Before you leave

- Be sure to thank your trial host, judges, and volunteers!

Recordings

- Be sure that permission is obtained before recording anyone.
