## TENTATIVE SCHEDULE:

**Day One** - is group day in the morning and individual time in the afternoon. Janice will have an exciting program of new training ideas, building a relationship with your dog, how to make training a "game", training using positive methods, how to keep your dog engaged, fun proofing exercises and much MORE!

Saturday evening TNT will provide the Pizza, and BYOB or? Mingle about and get to know the other camp participants. Lots of fun!

**Day Two** - again in the morning you will be kept busy with lots of fun group exercises and in the afternoon you will have an individual session to work on what exercise you want.

At the end of the day, the TNT ponds and land will be open to enjoy a leisurely walk, swim your dogs or get in a bit of field training.

In the evening a no-host dinner at a local restaurant - always a fun & engaging evening out socializing with each other.

## **Day Three** -

Critiqued obedience competition run thru's on day three. This has proven to be very popular at previous camps. If your dog is too

young for a run-thru, or you don't wish to have one, you may request another individual working session with your dog.

*Dogs cannot be aggressive or harass other camper's dogs. They should have good off lead control. You can bring 2 dogs but must choose which dog you will work during your allocated time.*
